

★Corty★

★NIDA★

Corty is the *Brain Power!* Club's trusty partner. Corty knows all about science and scientific inquiry, which helps the *Brain Power!* Club solve problems. Corty receives instructions from the NIDA Mission Control Center and sends the kids to complete their missions.

★Beth★

★NIDA★

Beth is a Junior Scientist in the *Brain Power!* Club. She receives missions about the brain and drugs from the NIDA Mission Control Center. More than anything, Beth wants to be a scientist one day so she can help people.

Juan

NIDA

Juan is a Junior Scientist in the *Brain Power!* Club. Juan loves science and is always ready for a challenge from the NIDA Mission Control Center. He is always looking for ways to learn new things and try out fun activities and experiments.

Brain Power! Club

NIDA

The *Brain Power!* Club is a group of smart Junior Scientists who want to learn about the brain and how to stay healthy. They meet in the *Brain Power!* clubhouse and receive missions from the NIDA Mission Control Center about how drugs affect the brain.
