

SHATTER THE MYTHS ABOUT DRUGS & ALCOHOL ON

DRUG FACTS CHAT DAY

Thursday January 31st 8:00 a.m. to 6:00 p.m.

Anonymously input questions (online) about drugs & alcohol to scientists who will provide in-depth responses in real-time or post later in the day!

- Take 10 minutes to visit the library during your free period or lunch to participate;
- 8th/10th Grade Health Classes & 12th Grade Gym Classes will participate during their scheduled periods on Thursday, January 31st!
- You can also participate at home until 6:00 p.m. by submitting your questions through www.nidachat.org <<http://www.nidachat.org>> .

The access code number **c5f78** is required for you to log into the chat, create a user name, and submit questions to the panel of experts. Only valid questions will be posted and answered.

- Check out teen websites like:
abovetheinfluence.com, justthinktwice.com or teens.drugabuse.gov/

The purpose of National Drug Facts Week is to connect high school students with scientists who share little-known facts about substance abuse. Check out more about National Drug Facts Week on FACEBOOK (Drug Facts) or manhassetcasa.org!
